

REMARKS

Claims 1-3 and 5-6 are pending in the present application. Claim 4 has been cancelled. No claims have been added. Claims 3 and 5 have been amended to place the claim in better form for examining all the claims in unison as all the claims are sufficiently linked to the polypropylene resin composition of claim 1.

Applicants request entry of the above amendments is earnestly solicited. Moreover, as the above claim amendments dictate, Applicants respectfully request that the Examiner rejoin the claims and examiner all claims in unison. An early and favorable first action on the merits is earnestly solicited.

Attached hereto is a marked-up version of the changes made to the application by this Amendment.

Should there be any outstanding matters that need to be resolved in the present application, the Examiner is respectfully requested to contact Kecia Reynolds (Reg. 47,021) at the telephone number of the undersigned below.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees

required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17;
particularly, extension of time fees.

Respectfully submitted,
